## HIGH ADVENTURE 2014 SIGN UP NOW!

High Adventure 2014 is on!  
Join us for a 100+ mile wilderness canoe expedition in the great North Woods of Maine.

In conjunction with Allagash Canoe Trips we will be making a 7 day wilderness canoe trip on the Allagash River of Central Maine.

See Maine in all of its natural beauty in exactly the same way as Thoreau and the original explorers saw it.

The dates for the trip have been set for Friday July 11th thru Sunday July 20th 2014.

The price of the trip will be \$1300.00 per person.

The trip price includes guide service, meals, lodging,

transportation etc. except for personal spending money. You will also be responsible for lunch on our travel days (July 12 & July 20th).

Our planning has progressed to a point where we need a firm commitment from all participants. It is important to know the size of our group in order to apply for wilderness permits, finalize travel plans, make meal reservations etc.

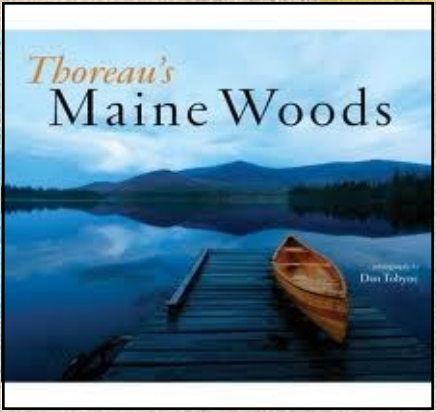

Please let me know promptly if you are planning to join us on this trip. I will then include you on any future correspondence.

Plans call for us to travel to Maine on Amtrak trains overnight Friday July 11th, arriving in Brunswick Maine at

12:30 pm Saturday. We will use rented vehicles to travel from Brunswick Maine to Greenville Maine, the starting point for our expedition. We will spend Saturday night in a hotel and begin the canoe expedition the following morning. We'll finish on Saturday July 19th, again spending a night in a hotel and travel home on Sunday July 20th. Specific details, including the usual "participants guide", will be provided to all those who sign up for the trip.
