

Hello Troop 20 Family,

We will be joining Scouting families across the country in a spirited Summer of Service! As we have throughout our history, Scouting families are answering the call to work together in service of the greater good. From public health drives, to caring for the environment, to assisting neighbors in need, Scouts have always been a force for positivity and goodness in our communities. Now more than ever, our world needs that Scouting spirit once again. Let's step up! Together, we can answer the call to make a positive impact in our neighborhoods and communities.

The leaders of Troop 20 will be offering two opportunities to participate in the BSA Summer of Service:

1.) Service projects related to sustainability and the environment are a great way to engage in the Summer of Service. The troop will be conducting our spring Adopt-a-Highway cleanup this coming Wednesday, April 21st.

2.) Community spirit is important now more than ever. We will be placing American flags on the graves of our veterans in Myerstown Borough and Jackson Township on Wednesday, May 19th.

Scouts only need to participate in one of the service projects, but are encouraged to participate in both projects. All Scouts who participate in at least one event, will receive a Summer of Service patch and certificate.

More information can be found at

I look forward to seeing you!

Mr. Hentz
Scoutmaster, Troop 20
